### **Chief Norman Williams satisfied with plea**

The Wichita Police Department and BTK Task Force members are satisfied that justice has been served with today's guilty plea. I was very confident in the investigation that was conducted by the BTK Task Force, and in the solid case that was presented to the District Attorney against Dennis Rader.

Perhaps today's events will bring some closure for the families and friends of Mr. Rader's victims, and for the citizens of Wichita.

We must keep all the families in our thoughts and prayers and hope that they can someday find some peace in their hearts with the untimely loss of their loved ones.
